MEMORANDUM

December 16, 1966

TO: Boston Redevelopment Authority

FROM: Edward J. Logue, Development Administrator

SUBJECT: TENTATIVE DESIGNATION OF DEVELOPER
DISPOSITION PARCEL G-3
WASHINGTON PARK URBAN RENEWAL AREA

SUMMARY: This memo requests that the Authority conditionally designate Jackson Square Glass and Auto Supply Co. as developer of Site G-3 subject to the Authority's usual submission requirements.

Disposition Parcel G-3 is a 16,250 square foot parcel located on Washington Street between Westminster and Cobden Streets near the Egleston Square M.B.T.A. Station.

Negotiations with potential developers have emphasized the limited market for this industrial/commercial parcel because of its size.

Jackson Square Glass and Auto Supply Co., a firm engaged in the distribution of shower enclosures and the replacement of car windshields, has expressed an interest in purchasing Parcel G-3 for the development of a combination warehouse, showroom and work shop. There is adequate land for an undertaking of this type as well as for the accompanying off-street parking and landscaping.

Because of the proximity of this site to the moderate income housing development on the adjacent Site B-3, it is advisable to recommend a firm which carries on the type of work which is free of noise or other incompatible elements.

It is therefore recommended that Jackson Square Glass and Auto Supply Co. be conditionally designated as the developer for Parcel G-3.

An appropriate vote is attached.
